 1126guanting@gmail.com

Education

國立政治大學
心理學系暨心理學研究所

Expertise

• 研究工作

- 實驗設計、計畫管理
- 實驗收案與執行
- 儀器使用：fMRI, 眼動儀等
- 認知、心理測驗操作
- 計畫報告撰寫

• 資料分析

- 問卷設計
- 統計分析
- 圖表視覺化
- 機器學習
- 網路探勘、大數據分析

• 程式軟體

- Office 工具
- Photoshop, Illustrator, Audition
- SPSS, JASP, Power bi
- R, Python, Matlab
- SQL
- HTML, CSS

Profile

心理學與認知神經科學背景、資料分析實務經驗，專長數據處理、研究設計與跨域整合應用，熟悉處理多變量資料與提煉核心洞察。具備結構化思維與資料視覺化能力，能將複雜資訊有效轉化為決策依據。關注新創產業、AI技術應用、人機互動與心理健康科技發展等，期望將學術研究能力轉化為具產業價值的策略建議，投入數據驅動的創新實踐，為科技與人文融合帶來實質貢獻。

Experience

○ 工業技術研究院

2024/4 - present

研究助理

- 資料統計分析
- 計畫報告撰寫
- 新創產業資料整理
- 活動會議支援

○ 政大心腦學中心

2022/7 - present

計畫助理

- 計畫報告撰寫與執行
- 實驗收案（生理、腦造影、認知測驗等）
- 實驗刺激設計、數據收集管理
- 資料統計分析、研究報告發表

○ 兒童暨家庭關懷協會

2022/7 - present

計畫助理

- 個案資料統計、分析、年度報告撰寫
- 統計方案規劃、量表設計、資料管理
- 公益專案設計、執行、推廣
- 年刊發想、設計、文案撰寫、美編製作
- Podcast 文案設計、邀稿、實際錄製、後期編程
- 活動會議支援

○ 衛福部心理衛生中心

2023/6 - 2023/9

計畫助理

- 個案資料統計、分析、報告撰寫
- 網站設計、系統優化、美編文案
- 諮詢、諮商表單開發設計
- 活動會議支援

○ 門諾醫院黎明機構

2021/1 - 2021/9

計畫助理

- 自閉症個案日常服務處遇
- 結構化課程專案 - 發想、設計、教學與教材設計製作
- 溝通輔具專案 - 發顯、設計、教學與教材設計製作
- 大型活動規劃統籌與執行
- 文案美編、報告撰寫

Awards

- 碩士論文優等獎, TSCN Annual Meeting 2025, Taoyuan, Taiwan
- AI跨域研究構想補助計畫入選, 2025
- Oral Presentation, OHBM Annual Meeting 2025, Brisbane, Australia

Education

Department of Psychology, Graduate
Institute of Psychology
National Chengchi University, Taiwan

Expertise

Research Skills

- Experimental design and project management
- Participant recruitment and implementation
- Use of instruments: fMRI, eye-tracking, etc.
- Cognitive and psychological assessment administration
- Research reporting and documentation

Data Analytics

- Survey design and statistical planning
- Statistical modeling and hypothesis testing
- Data visualization and storytelling
- Machine learning, web mining, big data analysis

Software & Tools

- Data Analysis: Python, R, SPSS, JASP, Power BI, Matlab
- Database & Web: SQL, HTML, CSS
- Design & Office: Excel, Microsoft Office, Photoshop, Illustrator, Audition, Canva

Profile

With a strong background in psychology and cognitive neuroscience, I bring practical experience in data analytics, research design, and cross-disciplinary integration. I am skilled in handling multivariate data and distilling key insights, supported by a structured mindset and data visualization expertise. Passionate about emerging industries, AI applications, human-computer interaction, and digital mental health, I aim to translate academic research into industry-relevant strategic insights and contribute to data-driven innovation that bridges technology and humanity.

Experience

○ Industrial Technology Research Institute (ITRI) 2024/4 - present
Research Assistant

- Conducted data analysis and policy report drafting
- Collected and structured information on startup ecosystems and innovation cases
- Supported project-based research meetings and interdepartmental collaborations

○ Research Center for Mind, Brain, and Learning, NCCU 2022/7 - present
Research Assistant

- Coordinated physiological and neuroimaging data collection
- Conducted statistical analysis and assisted in manuscript preparation
- Managed project reporting and experiment logistics

○ Association for Children and Families 2022/7 - present
Research Assistant

- Led case data analysis and annual reporting
- Developed statistical frameworks, designed measurement tools
- Managed data pipelines and collaborated on social welfare campaigns

○ Center for Mental, Health and prevention of addiction 2023/6 - 2023/9
Research Assistant

- Analyzed case data and generated statistical reports
- Designed digital systems and optimized website functionality
- Developed consultation forms and coordinated event logistics

○ Mennonite Christian Hospital ,New Dawn institution 2021/1 - 2021/9
Research Assistant

- Provided support for individuals with autism in daily routines
- Designed structured learning programs and communication aids
- Led event planning and instructional material creation

Awards

- Outstanding Thesis Award, TSCN Annual Meeting 2025, Taoyuan, Taiwan
- Selected Project, AI Interdisciplinary Research Grant 2025
- Oral Presenter, OHBM Annual Meeting 2025, Brisbane, Australia
